AUTUMN NEWSLETTER 2017

Sally and Kim with Blossom at our Spring Event at Bluemans

Now we are into October and summer seems a long time ago we are looking to the coming months for the Weald Harness Club

This has been a record year for Acorns coming down from the many Oak Trees many of us have in our paddocks. Do be aware as we have become very conscious of the risk by listening to our local veterinary saying they are very busy with Acorn poisoning

On a brighter note we had some great summer competitions starting with a Spring World Cup at Bluemans Farm in May

Followed by the Two Day Event at Jane Lamb's venue

And then on to a Cones and Marathon Day back at Bluemans Farm

So now to Friday 24th November – only 7 weeks away!!

Alison Bones has taken on the task of organising for us a Pre Christmas get together with Supper to be held at The Royal Oak at Peasmarsh

The menu for this is below and Alison will need your £10 per person deposit by 22nd October with the menu and remaining money by 18th November

All members welcome and bring your non-member friends

CHRISTMAS INDOOR DRIVING EVENT & SOCIAL

Thursday 21st December – The Café will be Open

Duckhurst Farm – Entries limited to 20 turnouts

Schedule attached

This was great fun last year and hopefully many of you will be able to come – unfortunately we are unable to book Duckhurst at a weekend due to the high cost at weekends and lack of availability

As usual we do need to stress that the majority of our Committee are in their senior years and we really do need the input of ‘younger and/or enthusiastic members to either join the Committee or be willing to organise other activities i.e. Events, Quiz, Socials etc. etc.

Please contact our Chairman Ian Collings with suggestions but these do need backing up with the organisation!
